KIIT Deemed to be University,
Bhubaneswar, India

Overview

The 1st IEEE International Conference on Industrial Electronics: Developments & Applications (ICIDeA) 2022 was held at KIIT Deemed to be university, Bhubaneswar, India in the year 2022 and the 2nd IEEE ICIDeA was held at NIT, Manipur, India in the year 2023. The 3rd International Conference on Industrial Electronics: Developments & Applications (ICIDeA) 2023 will be organised by the School of Electrical Engineering, KIIT Deemed to be University, Bhubaneswar, India during 21st to 22nd February, 2025 in association with IEEE Bhubaneswar Subsection. IEEE ICIDeA 2026 is the flagship international conference of the Bhubaneswar IE Chapter, organized in technical collaboration with the IEEE Bhubaneswar Subsection. This 2026 4th IEEE International Conference on Industrial Electronics: Developments & Applications (ICIDeA) will be conducted fully on hybrid mode, scheduled to take place from 29th October to 31st October 2026.

Aim of the Conference

IEEE International Conference on ICIDeA 2026

The aim of the conference is to bring researchers from all the esteemed institutes of the World. Along with researchers the professionals and executives from energy sector, manufacturing industries, electrical power companies are invited to share ideas and information pertaining to innovations focuses on techniques handling today's challenges.

Kalinga Institute of Industrial Technology (KIIT)

The KIIT University, Bhubaneswar is equipped with all modern amenities and has created the environment for the conduct of mega events. Aesthetic campuses of the KIIT University perched in the historic city of Bhubaneswar in idyllic surroundings provide an ambient environment for intellectual pursuit. We at KIIT University are persistently marching ahead to attain excellence both in innovation, quality and quantity of technical and professional education. This University has not only created state-of-the-art infrastructure but also bridges the gap in the area of industry-institute partnership to create a roadmap for the overall development of technical education in India.

School of Electrical Engineering

The School of Electrical Engineering has been playing a vital role in producing Engineers and Scientists of highest caliber since its inception in the year 1997. At present, it offers Under Graduate, Post Graduate and Ph.D. programs in Electrical Engineering to cater to the ever-challenging needs of technical excellence in all areas of Electrical Engineering such as Power Electronics and Drives, Power & Energy System and Power System Engineering. The school is having a vibrant atmosphere due to the combination of input of brilliant students, availability of outstanding faculty members and innovative research work in all areas of Electrical Engineering. The icing on the cake is the accreditation of the School by NAAC, NBA (Washington accord) Tier-I and UGC.

Paper Submission:

Authors are invited to submit full paper (maximum 6 pages) in standard IEEE conference format for review. All presented papers will be submitted to IEEE Xplore for possible publication. For more details, please visit: <https://icidea.kiit.ac.in/>

Call for Papers

Original research articles are solicited on subjects pertaining to the scope of conference that includes, but is not limited to the following topics:

- Power Systems and Smart Grids
- Electrical Machines and Industrial Drives
- Power Electronic Converters
- Renewable Energy and Energy Storage Systems
- Transportation Electrification and Automotive Technologies
- Automation, Control, and Digital Systems
- Biomedical Electronics
- Semiconductor Devices and Circuits
- Power Quality Issues and Mitigation, FACTS, Custom Power Devices
- Communication Systems
- VLSI and Embedded System
- Robotics and Mechatronics
- AI, ML & Computational Intelligence
- Cyber Physical Systems and Internet of Things in Industry
